OF YOUR WEST COAST EXPERIENCE!

**The Hospitality Inn is centrally located in the Alberni Valley, the heart of the West Coast, and is only a 60-minute drive west from Nanaimo on Vancouver Island.**

### *Much to See and Do*

Take a short stroll to the Harbour Quay, a colourful collection of waterfront shops, galleries, and eateries; this is where you will find the clock tower, which grants panoramic views of the Alberni Inlet. You'll also find the boarding area for the M.V. Lady Rose, a passenger & freight vessel that offers scenic journeys to Bamfield, Ucluelet and the Broken Group Islands on the West Coast.

Board the 1929 steam train from the restored Railway Station and visit the National Historic Site of the McLean Mill Heritage Sawmill, a trip back in time not to be missed. For the golf enthusiast, Port Alberni has five golf courses in the surrounding area.

### *By Land, Sea or Air*

Whether kayaking on the inlet, mountain biking on Mt. Arrowsmith or soaring with the eagles in a glider, you'll have the chance to see breathtaking scenery and an abundance of wildlife. A prime destination for sport-fishers, Port Alberni is world renowned for exciting fishing adventures in both fresh and salt water. When the salmon run, Victoria Quay offers viewing stations for the thrill of seeing black bears from a safe distance.

### *Visit Our...*
